BAY-DELTA  
PROGRAM

MAY 12 1998

# Public Comment

Date April 27, 1998

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

I am deeply concerned with the  
current state of our Bay and  
Delta. I fear that additional  
water diversion & canals will  
increase our water problems. Programs  
that will implement conservation,  
restore habitat & reduce run-off  
from livestock industries should be  
put into action
